Sub: Hospital Phase Training for Emergency Medical Technician Trainees.

Dear Sir,

We are happy to inform you that the Government of Tamil Nadu has planned to increase the 108 ambulance services in the State, for which we are training the Emergency Medical Technicians.

We have commenced Theoretical & Practical Training for the 204th batch of 23 Emergency Medical Technician Trainees (EMT-Trainees) at our institute on 23/08/2021.

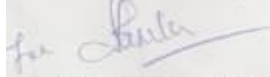

We propose to introduce the hospital phase of training for these trainees from 16/09/2021 to 25/09/2021. We seek your permission for posting and training of the EMT trainees in Casualty, Medical ward and Trauma ward of your Hospital.

We request you to kindly ensure that the EMT trainees get hands on experience with interventions like assist to basic airway management, Vitals, IV cannulation, administration of medications etc.,

We thank you for the cooperation and coordination extended for the training of the previous 202 batches of EMT-Trainees. We are glad to inform you that these batches of trained EMTs are managing the ambulance cases very well and saving lives.

Thanking you.

Yours faithfully,

Dr. Aruna., M.B.B.S and M.D (Psychiatry).
